

The Seven Hills School Parent Council

August 2019

Dear Seven Hills Parents:

Hello and welcome to the new school year! We are looking forward to lots of new things this year, both on campus and throughout our school community. This year we are focusing on improving our “neighborhood” by creating a more unified way of meeting together and exchanging information that all Seven Hills families need.

Going forward, the network of parent volunteer organizations will be known as the **Parent Community**, an umbrella group, with representatives from all four divisional Parent Associations and several other parent volunteer organizations. The Parent Community will host occasional all-school meetings, at which teachers and/or administrators will discuss some topics of interest to parents. And, of course, we will continue to support divisional and school-wide events and maybe even launch some new ones!

Volunteers are the foundation of our school community. We invite you to become involved at Seven Hills to enhance the lives of your student(s) and family. It is a great way to meet other parents who want to make the school the best that it can be. Depending on your interests and availability, there are many roles to choose from.

Whether you are a new or returning parent, the members of the Parent Community can help you find a way to get involved in one event or in on an ongoing role. Help us to build an outstanding “neighborhood” that enriches the experience of all Seven Hills families.

We look forward to seeing you on campus!
