

Lunch Procedure

Children have the choice of packing or buying lunch. Charges for school lunches will be billed monthly and should be paid promptly upon receipt. We are unable to substitute orange juice for milk in the school lunch unless allergies are a problem. First-grade students may only buy from the menu, not a la carte, and may not charge extra desserts and snacks. Pre-kindergarten children who stay for Encore Club will eat lunch in Haile Hall. The cost is included in After the Bell fees.
