

Pre-K and Kindergarten Clothing

Please dress your child in informal, washable play clothes. Easy to manipulate buttons, zippers, buckles, and velcro-fasteners encourage independence and responsibility in your child's care of him/herself. Raincoats with a hood are encouraged since umbrellas are not permitted. A school bag is an essential item in helping to organize materials.

Be sure to mark your child's jackets, hats, boots, mittens, and rainwear with his/her name. A seasonally appropriate change of clothes for emergencies should be kept at school.
