

Dress Code/School Uniform: Grades 1-5

Doherty School is a uniform school. It is important that both parents and students are aware of, and responsible for, following this policy. Please read over this policy with your child to help him/her become aware of its importance.

Uniforms are to be worn Monday through Thursday. On Friday, students may wear any tasteful clothing of their choice (no tank tops or spaghetti strap tops). Students and their parents should consider seriously their responsibility to adhere to the uniform requirements and to maintain the conditions of the uniform code. In doing so, they are reflecting pride in themselves and in the school.
