

Dear Lotspeich Families,

Greetings from the Lotspeich Parent Community! We hope you have had a fun and safe summer. Last year's unusual circumstances inspired all of us to find new and creative ways to connect. Amidst all of the uncertainty, we were time and again reminded of how caring and supportive the Seven Hills community is, and how thankful we are to be a part of it.

This school year will still contain some uncertainty and some distance, but we are grateful for the structure and familiarity that the school year provides for our children. We will continue to hold as many of our traditional Parent Community events as possible. Some will still necessitate alternative formats while we are not able to gather in person, but we will try to build on all that we learned last year and make our events as accessible and inclusive as possible.

We hope that you will join us as a Parent Community volunteer this year. A full list of events that are coordinated and staffed by parent volunteers is included on the following page. Please reach out to us or reply to the upcoming volunteer survey to sign up, learn more, or share ideas for staying connected this year.

Sincerely,

Your Lotspeich Parent Community 2021-2022 Co-Chairs
