

**Middle School Parent Night
August 25, 2021**

Welcome to Middle School Parent Night! While it is difficult to replicate an in-person visit to our campus in order to meet your child's teachers and other parents, and to find out more about your child's classes, it is our hope that this year's virtual Parent Night event will be informative and give you a sense of the robust and engaging program that serves to distinguish our Middle School as a nurturing, inclusive, and welcoming community.
