

## 2022-2023 Seven Hills Middle School

# Student Supplies

It is important that students have all of the supplies listed below for the first day of school and they should be replenished as necessary throughout the year. All supplies can be found at area office supply stores.

### Helpful hint:

Label all folders, binders and backpacks with the student's name. These supplies are occasionally found around school and this labeling helps to ensure found items are returned to the proper student.
