

# The Seven Hills School Parent Community

August 2021

Dear Seven Hills Parents:

The Seven Hills School Parent Community would like to welcome you for the upcoming school year 2021-2022. As we get ready for new year, we know that the relationships amongst our amazing staff, parents, and students is vital in the everchanging landscape of the current situation with the pandemic. The school has been very successful in incorporating new technologies and the added physical precautions for a continuous safe environment for our children to learn and grow.

The Parent Community Board is the umbrella organization that brings together all aspects of Seven Hills volunteers. Our goal is to create a sense of community and strengthen communication among Seven Hills' four divisions and two campuses. The members consist of chairs and co-chairs of the divisional Parent Communities (Doherty, Lotspeich, Middle, and Upper) and representatives from Athletic Boosters, Spirit Shop, Resale Shop and SNAAP. We meet with Head of School Chris Garten and other members of the faculty and administration to get updates on school topics and exchange information on what's happening outside of the classroom.

Volunteers are the foundation of our school community. We invite you to become involved at Seven Hills to enhance the lives of your student(s) and family. It is a great way to meet other parents that want to make the school the best that it can be. Depending on your interests and availability, there are many roles to choose from.

Whether you are a new or returning parent, the members of the Parent Community Board can help you find a way to get involved in one event or in on an ongoing role. Help us to build an outstanding community that enriches the experience of all Seven Hills families. We look forward to seeing you on campus!
