

Hello from the Lotspeich Welcome Committee! Congratulations on enrolling your child in Seven Hills for 2022-23 and beyond!

Some of you are new to the school, while others are graduates returning back with the next generation, and a few of you are already part of the community, but will have a new student joining us this fall. Regardless, as members of the Lotspeich Welcome Committee, we want to officially introduce ourselves as your “parent maestros” throughout the coming months!

Below are some upcoming key highlights we want you to be aware of. We will continue to send these over the next few months, but feel free to reach out to us at any time with any questions you might have – big or small. We were once in your shoes, and want you to be assured that Lotspeich is a very welcoming community and we are here to help!

We look forward to getting to know your family,

Lauren, Julie, Emily, Sara, and Erin

### **A Little About Us**

**Lauren Boymel:** Welcome to Seven Hills! This is my family’s 7th year. I have Asher, starting 6th grade in the Fall, Miles, who will be in 5th grade, and future Stinger Hunter (3 years old). We came to Seven Hills for the academics, but I wasn’t expecting to fall in love with the community! I’m a Cincinnati native, so please feel free to ask any questions! **Julie Coyne:** Welcome to the Seven Hills Community! Our family has been at Seven Hills for 7 years. My daughter Campbell will be in 8th grade next year and my daughter Didi will be in 3rd grade. I am excited to meet you and hope that my involvement over the years will be a resource for you. Please don’t hesitate to contact me. [513-673-7399](tel:513-673-7399) We live in Hyde Park.

**Emily Emeneker:** Welcome! My boys Grey - going into 1st grade, and Clark - incoming PreK student, can most likely be found playing in the dirt during recess! This is our second year as a Seven Hills family and we are thrilled to be here. Since I was in your shoes just last year, please don’t hesitate to reach out for anything and I will help get you connected. We live in the West Chester area if you are looking for a play date! Please text me anytime [803-240-4483](tel:803-240-4483).

**Sara Ramprasad:** Next year will be my family’s 7th year at Seven Hills! We have three children enrolled at Seven Hills. My daughter Maya will be in 6th grade and will be starting middle school next year. My daughter Nikki will be headed to 3rd grade. My son Asher will be entering Kindergarten next year. I’m always excited to meet new families and happy to answer questions anytime! My cell is [513-250-6139](tel:513-250-6139) and we live in the Montgomery area.

**Erin Snelting:** Hello! I have a daughter, Clara, who will be in 3rd grade next year. We have been at Seven Hills since Beginnings, and then PreK-2 on. Our family loves Seven Hills and has found so many ways to get involved and meet people across the school community. I’d love to be a resource if you are looking for ways to get connected to the school, or for any other questions! My cell is [703-347-3577](tel:703-347-3577), and we live in Hyde Park.
