

To access School Forms Online (SFO) or Family Access Module (FAM), you will first need to create your password for our parent web site, my.7hills.org.

The username for this site is your email address.

To create your password:

1. Go to my.7hills.org, click Login
2. From the user account screen, click request new password
3. Enter your email address and click email new password
4. Check your email for a link to use to create your new password

Once you've created your new password you can then login to my.7hills.org and click the link for SchoolForms Online.
